LETTER TO OFFICIAL DRAFTSPERSON

Mail Stop Missing Parts
Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Commissioner:

Applicants respectfully submit copies of Figures 3A, 6A, 9A, 9D and 12 marked in red to indicate corrections thereto relative to the informal drawings that were filed.

Figures 3A and 9A were corrected to delete reference number "326" for consistency with the specification. Similarly, Figure 12 was corrected to delete reference number 1226. Figure 6A was corrected by deleting the A-A cross view indicator. Figure 9D was corrected by replacing "330" with "340" since the view along lines B-B is through annular member 340.

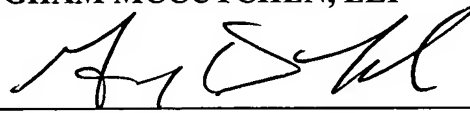

It is requested that this amended drawing be reviewed and approved by the Examiner. These corrections are reflected in the formal drawings submitted herewith in response to the Notice to File Corrected Application Papers of February 20, 2004.

Respectfully submitted,
